REQUIRED ATTACHMENTS	
Incomplete applications cannot be processed and will be returned to the applicant	
A copy of the ABN registration or ASIC company registration	
A proposed menu	
Local Government acknowledgement of notification/Food Act Certificate of Registration (if applicable if food or equipment such as a stall is stored elsewhere)	
Evidence of food safety qualifications or statement of relevant food business experience  This is to assist in demonstrating suitable skills and knowledge in accordance with Food Safety Standard  3.2.2	
ADDITIONAL INFORMATION REQUIRED FOR ASSESSMENT OF FOOD MANUFACTURERS/IMPORTERS:	
Proposed process to manufacture each product including verification processes for critical food safety steps such as heat treatment and acidification (for manufacturers)	
Detailed recipes, including full ingredient list and method of preparation including time and temperature control for each proposed food type. Manufacturing secrets and confidential processes are protected from disclosure under Section 142 of the Food Act 2008	
Examples of labelling (for importers and manufacturers)	
If you are selling packaged food, you must submit copies of your labels for review. Please see the Food Standards <u>User Guides</u> to Labelling Requirements under <u>Food Standard Code Chapter 1.2</u> , particularly the <u>Overview of Food Labelling</u> guide	
Evidence of shelf life testing (date marking for manufacturers)	
Verification of your date markings is required to be undertaken by a NATA accredited laboratory. This may take some time depending on the shelf stability of your products so it is preferred that you do not submit your application until you have completed testing.	
Food recall plan (for importers, distributors and manufacturers)	
If you are manufacturing or importing food products you are legally required to have a food recall plan. Please visit FSANZ <u>Food Recalls</u> website information on what this must contain
